

Parent-In-Action (PIA) Organization

Paradise Valley Christian School has a Parent In Action Group. Membership is automatic to all parents and faculty that have students enrolled in any program at any facility.

Please see guidelines below:

1. The sole purpose of this organization is to increase the educational opportunities for the students of Paradise Valley Christian School (P.V.C.S.), and to encourage unity in the body of Christ. This is to be accomplished through volunteer help which will eliminate some of the work load required of the faculty members; thus giving them more time to function in their assigned area of responsibility.
2. The Parent In Action Group will function in areas such as the library, computer science applications, support for music program, school newsletters, fund raisers, homeroom helpers, sports, hot lunch program, P.E., art building maintenance and in other capacities as required. The Parent-Teacher Organization has continuous activities that may be performed by those volunteers assigned by the Parent Support Group, along with the permission of the board advisor and the administrator of P.V.C.S.
3. Each volunteer agrees to abide by all rules and regulations in effect for the student and faculty of P.V.C.S.
4. The Parent Support Group is not intended to be a policy making organization. If any discussion regarding policy, staff, or student group should occur, those individuals with concerns should be instructed to contact the administration of P.V.C.S.
5. The Parent Support Group meetings are to be held on a monthly basis at the P.V.C.S. Meetings are to be publicized in advance, with teachers, parents, board advisors, and administration of P.V.C.S. invited to attend.
